AD BREAK**PERENNIAL**

The Fake News Update is brought to you in part by Mason Jars. You know, when Jim Mason first immigrated to this country in 2006, he could not have dreamed that his hand-blown, soup style jars would take the world by storm. Mason Jars continue to contain your chosen material in - essentially - a forcefield made of glass. With a screw top lid that has the kids dancing in the streets, continue to choose Mason Jars for all your carrying and transporting needs. Mason Jars!

PERENNIAL

You know, we have a lot of fun here at FNU, but I just wanted to say from the bottom of my bottom, thank you from the team for stepping in and stepping out during Anahita's absence. You know, our entire lives I've been so disappointed in you - in your laziness, in your fashion sense, heck - even down to your whole... thing. But I find myself just tootin' grateful to have you in the studio right at this minute. So on that note, let's get to THIS note. This letter is from Shonda, a listener coming out of - well look at that, coming out of Altus, Oklahoma. We've got a lot of listeners in Altus, so there is no surprise there. Ok, Shonda writes:

Who the H-E-Double hockey sticks is this Annual fella?! What a hunk! He sounds like if Blake Shelton read a book, and he is getting me all kinds of horned up! Keep him on! Missing Anahita, but once she's back maybe Annual can take over for Pierogi full-time! Just a thought!

*Much love to Annual,
Shonda.*

Well- that does not feel good.
