## **AD BREAK**

### **PERENNIAL**

The Fake News Update is brought to you in part by Old Desk Calendars. Remember those old desk calendars that were square and sort of propped up on their own junky lil plastic easel - and every day you'd pull off the day before's calendar page, and you'd just read a small, short comic, or maybe admire a lovely black and white photo of a small animal, or maybe even a profound-but-digestible-quote? And remember how you probably got this Old Desk Calendar as a white elephant gift, or maybe it was from your aunt who doesn't know you very well? Well this is that! And they paid for this episode. Old Desk Calendars: A thing that used to be a thing, but isn't so much a thing anymore!

## **DAILY HEADLINES**

**MUSIC IN.** *F.N.U. Theme*

### **ANAHITA**

"Look Ma, no hands!" Birth defects on the rise.

**MUSIC OUT.**

With all the news you never knew you needed and all the news you needed to know, I'm Anahita Ardashir...

### **PERENNIAL**

...And I'm Perennial Eschner. From the KLMNOP studios in Meat Mountain, Alaska: this is F.N.U. The Fake News Update.

### **ANAHITA**

And now, today's headlines. Netflix and *kill?* *How to Get Away With Murder* proves too informative.

### **PERENNIAL**

Non-cents!

The US Treasury Department this Friday approved the rebranding of the American dollar bill, now exclusively referring to them as "non-cents."

### **ANAHITA**

A mummy was discovered in Egypt this week. Archeologists report they believe the mummy to be of royal descent, citing the commonalities in the ornamental breast decoration, leading to the mummy's nickname: Tits-in-common

**PERENNIAL**

Sorry we can't unwrap that more Anahita, but we've just received some breaking news.

**SFX.** \_\_\_\_.

**PERENNIAL**

And now, it's time for a news segment, or should I say a NEW segment where our very own Anahita Ardashir offers her signature two cents on global events of import. This is Anahita's Hot Takes.

**ANAHITA**

Thanks, Perennial.

This week I want to talk about straws.

Is sipping truly *that* important?

Right this minute, I'm enjoying a lovely blackberry lemonade sans straw and, let me tell you, the interplay of the cool liquid sensation on my lip as I partake of this bright, fruity beverage--

**PERENNIAL**

Ah - Anahita - I'm sorry to interrupt - you have a bit of something on your upper lip - Oh look, you're spilling all over your dicky - just juice everywhere. My God.

[long, awkward pause, we hear ANAHITA wiping up her dicky]

**ANAHITA**

[quietly] Did I get it?

**PERENNIAL**

[also quietly] It's public radio - they'll never know. We'll cut it in post, okay?

**MUSIC. Outro**

**ANAHITA**

Join us every morning Monday through Thursday for all the news you never knew you needed and all the news you needed to know.

**PERENNIAL**

From KLMNOP Thank you for listening to the Fake News Update, and until next time...

**BOTH [out of sync]**

We'll be FNU. (PERENNIAL: You still have some juice on your lip right there.)
