PERENNIAL

The Fake News Update is brought to you by all your discarded dreams. Hey bud, remember all those dreams once you had? Dreams of backpacking across Europe or getting cast on The Real World: Miami? Remember how you set those dreams aside and thought "Well, maybe not today... but someday." Well someday never came, and those dreams are not going to be fulfilled. But they did pay for this episode today. Discarded Dreams: They gave up, on you!

ANAHITA

Dreidel dreidel dreidel, I made you out of: oppression. Judaism and Popular Culture.

With all the news you never knew you needed and all the news you needed to know, I'm Anahita Ardashir...

PERENNIAL

...And I'm Perennial Eschner. From the KLMNOP studios in Blythe, Danner: this is F.N.U. The Fake News Update.

ANAHITA

And now, today's headlines. After recent controversy, Silicon Valley steps forward, claiming that the Valley...is all natural.

PERENNIAL

Modern Feminism claims another victim: Sexy Car-washes! Now I'm plain sick of this scourge of militant feminism! If I wanna see sexy ladies and men washing my vehicle - well heck, bring out the dish-soap that we use in lieu of car soap - because is car soap even a thing?

Hi, I'm Perennial Eschner. And this episode is brought to you by Perennial's Car Soap: Soap for your car and all your sexy washes! Sexy Car Soap! Soap you can eat!

ANAHITA

Listeners at home, I've not experienced this new product of my co-anchor but I adamantly ask you not to imbibe in said soap.

PERENNIAL

[off mic] Kelly, have you ever heard of car soap? I haven't even seen the product - this is a million dollar idea, people! I could be someone! I could be on Shark Tank - Guppy Tank! I COULD STILL BE ON THE REAL WORLD, IF I WANTED!

ANAHITA

Is that what this is about, P Dog?

PERENNIAL

I don't wanna talk about that right now! Why don't we just get to our FN Letters, huh? Oh! What have we here? Looks like it's from Perennial age 5 to Perennial age today - Why don't we read it, huh?

Hey Big Fella,

We knew this day would come. I can't imagine what sort of big adventures and experiences we've been on. What sort of network televised reality programs we've been a featured on. I imagine we've started many companies with our multitudes of ideas and soap-related innovations. I'm so proud of us and I can't wait to see who I become. Well, I gots to go now. My mother figure - OUR mother figure - says it's time to go nap nap.

Yours Truly.

Literally,

Perennial, P Dog, Eschner, age 5 and a half
