AD BREAK

PERENNIAL

The Fake News Update is brought to you by the feeling of adventure! Ever get the hankerin' for adventure? What about fun? Well that feeling is the thing that paid for this episode! So hop on a hang glider or stick around with your buds to the very end of an episode of something cuz the feeling of adventure is FLEETING! Feeling of Adventure: It probably means you fear death!

ANAHITA

Scientists are researching why we didn't make a bigger deal about the name Garth. More on that, as the story develops.

MUSIC OUT.

With all the news you never knew you needed and all the news you needed to know, I'm Anahita Ardashir...

PERENNIAL

...And I'm Perennial Eschner. From the KLMNOP studios in Punkydoodle, New Jersey: this is F.N.U. The Fake News Update.

ANAHITA

And now, today's headlines. So no one told you life was gonna be this way [Perennial claps]. Crippling debt and no social security. [Perennial claps]

PERENNIAL

Pickles?! In MY town?! Brining factories drive down property values - and that's a big dill!

ANAHITA

Jubilance in Detroit this Friday as the Hoboken Gravy Train made its bi-annual appearance much to the delight of children across the state. Bringing with it, that classic song: "Toot toot, that's gravy, baby!"

PERENNIAL

Speaking of thick, gelatinous liquids, let's take a look at that puppy cam!

Presh!

ANAHITA

And now our FNU Reviews segment: Eschner Assesses.

PERENNIAL

This week I'm reviewing that squishy south of the mason SMASH, Steel Magnolias. Well steel your magnolias, and head on down to the nearest Hollywood Video and purchase a VHS copy of this lil southern snack. Dolly Parton gives a revelatory performance as Blanche Devorough. A rag-tag older woman in her 40s who is still sexually active. Along with her best friends Dorothy, Sophia, and Estelle Getty, they learn all about the art of love - and the heat - of flashes. I give this film...a couple stars.

ANAHITA

And now, a fan favorite segment: Perennial's Scat Box!

PERENNIAL

You know what Anahita, why don't you get in on this action?

ANAHITA

Who, me?

PERENNIAL

Yeah - make some sweet mouth music, kid!

ANAHITA

I've never done this before.

Okay. I'll give it a go.

Shoobie doop!

Scoobie bap!

Boop boop boop!

PERENNIAL

Oh, Anahita, no no no! You gotta put some soul in your mouth hole - you gotta give it a little - BOP!

ANAHITA
