PERENNIAL

The Fake News Update is brought to you in part by my devil-may-care, nothing-can-go-wrong current state of being! You know I woke up this morning on the RIGHT side of the RIGHT bed! It's the last day of school and I can't wait for a summer of no responsibilities and hanging with my buds at the Max - the hip new teen-centric restaurant. And sure, when I put on my cans this morning - that's shop talk for headed phones- I heard nothing but five minutes of uninterrupted screaming! But heck, when I looked outside this morning it was as if the sun were giving me the ole wink-eye! Wink! And even though, we're introducing some special new segments today, with my attitude I'm just thinking: "Wow - nothing can go wrong!"

ANAHTA

ANAHTA

And now, today's headlines. Strange erotic auras permeating the area around the FNU Studios, located in Anytown, USA. When pressed for comment, police officers replied, "Humpday, ammirite?"

PERENNIAL

PERENNIAL

ANAHTA

What's wet, Perennial? Is it a goo or a gak or something more viscous like perhaps a slime?

PERENNIAL

It's all of it! Oh! Oh my! Oh, what do we have here? A glimmer in the goo has caught mine eye, Anahita!

ANAHTA

Don't touch it Perennial! We have scientists for this! Kelly! Kelly!!

PERENNIAL
