Today I am reviewing the 1987 broadcast of the Tony Awards. Let me tell you, Tony's awards left me Starlight DEpressed! Because Starlight Express was ROBBED BLIND by an unheard of little musical called Less Miserables. I assume a musical about being happy. Well here's the thing Less Miserables, some people have CONDITIONS! That require medication or therapy cats or just even some hard-knock self care! My take, some people get sad and it is not a musical's place to say "Well we want LESS of you, Miserables!" Shut up! 2 StarsLight Express!

Well the old singin' sticks are a singin'... which means it's now time for Ana-reada's poetry nook. Anahita?

This: Is: My Body is a Kiln by Epiphany Wallace

My body is a kiln!  
 Fire!  
 Heat!  
 Cold on the weekends  
 And in my lovin' oven  
 Your squidgy middles become rock  
 Hard  
 Unscarred  
 Put your Swayze hands on me  
 Glaze my nipples, clay  
 And together we bake  
 1,000 degrees  
 Until  
 We are.  
 We are.

**ANAHITA**

Join us every morning Monday through Thursday for all the news you never knew you needed and all the news you needed to know.
