PERENNIAL

The Fake News Update is brought to you in part by Vegetarians who "still eat bacon." Listen, I don't know your life. I don't know your moral code where you think you're still a vegetarian just because you eat one KIND of meat. I mean, my nephew Harrison only eats chicken nuggets and mac and cheese - but SURE, using your logic, he's a kind-of vegetarian too - I mean, yeah - I guess if the label of vegetarian is THAT important to you then go ahead and run with it - but hey, thanks for paying for the episode! Vegetarians who "still eat bacon." They're a lot of fun at parties!

ANAHITA

Imogen Heap, where are you? We miss you.

With all the news you never knew you needed and all the news you needed to know, I'm Anahita Ardashir...

PERENNIAL

...And I'm Perennial Eschner. From the - hey, you know what Anahita?! I miss Imogen Heap, too! I REALLY MISS her! Listen, have you heard about her musical mittens?!

ANAHITA

No! Tell!

PERENNIAL

Uhhh, using the power of - get this - FINGERS, uh, these are electronic mittens that make Imogen Heap's voice her hands as well.

ANAHITA

You're kidding!

PERENNIAL

I ain't! She just sort of [wiggles hands]- and it just sorta WORKS!

ANAHITA

So you're telling me, not only is she an innovator in the aural sphere, she is, in fact, an innovator...

PERENNIAL

Technology! Yeah! I - I would go so far as to say, Imogen Heap is a modern-day Elon Musk. Viewers at home - once again, I-I-I wanna show

you what these music mittens are capable of and you simply Elon MUSK run out and buy a pair of Imogen Heaps - I assume - patented Music Mittens - here's another brief demonstration:

[wiggles fingers]

So uh, just imagine that my voice is sort of that of a - a sexual robot and all I do is -

[wiggles fingers] Haaaeeeyaaaaeaaah.

And what I'm doin here is just sort of wigglin' my figglins!

ANAHITA

Fascinating.

PERENNIAL

As a matter of fact, John-in-the-booth, can you throw on some sort of erotic android sound over me while I sort of [wiggles fingers]

JOHN IN THE BOOTH

Uh...yeah.

ANDROID VOICE

I am a sexy sexy android. A sexy sexy android for my sweet boy-anchor Perennial Eschner.

PERENNIAL

... Alright, now I'm just gonna sort of -

[in a sexy robot voice] Ahheeyaaaheeeaaah! Oh yeah!

ANAHITA

What you're doing is reminding of those first fragile moments of a symphony, the sort of trembling timbre of the orchestra, the conductor raising his or her hands -

PERENNIAL

[in a sexy robot voice] Why don't you just shut right up and give these glovins some lovin!

ANAHITA

[in a sexy robot voice] Oh my.

PERENNIAL

And now why don't you give that outro a whirl girl!

ANAHITA

[like an Imogen Heap song] Join us every morning Monday through Thursday for all the news you never knew you needed and all the news you needed to know.
