The Fake News Update is brought to you in part by an unforeseen turn of events. Have you ever planned for things to go one way and then, unforeseenedly, they don't! Maybe you were in a different body, a - a body you had come to know and love since, well, since infancy. And sure, this new body does have some exciting features, and yes, maybe you did stay up all night *EXPLORING* your new flesh terrain. But that was unforeseen and certainly a cer-cumstance! Unforeseen Circumstances! Jamie Lee Curtis, Lindsay Lohan - return my calls!

**ANAHITA (voice of PERENNIAL)**

The Male Genital: a strange and exciting adventure. Tonight, at 11. With all the news you never knew you needed and all the news you needed to know, I'm Anahita Ardashir...

**PERENNIAL (voice of ANAHITA)**

...And I'm Perennial Eschner. From the KLMNOP studios in the body of Anahita Ardashir: this is F.N.U. The Fake News Update.

**ANAHITA (voice of PERENNIAL)**

And now, today's headlines -

**PERENNIAL (voice of ANAHITA)**

Uhhh, listen, Heeta, before we get going. Do you happen to have like a map?

**ANAHITA (voice of PERENNIAL)**

A map of what, Perennial?

**PERENNIAL (voice of ANAHITA)**

Oh, a map of - well, Anahita, let's just say a map of your own body.

**ANAHITA (voice of PERENNIAL)**

Oh my god.

**PERENNIAL (voice of ANAHITA)**

Your terrain, if you will. I uh, heard of a sort of pleasure center - a fun-button if you will. You know, explicitly, of my evening routines - my four, five hours of vigorous, uhhh... meditation and I

uh...well let's just say a big wrench has been thrown into it and I just can't find that wrench, Anahita.

**ANAHITA (voice of PERENNIAL)**

Perennial, a woman's body is a cave of wonders. The journey is the destination.

**PERENNIAL (voice of ANAHITA)**

Well I'm gonna get a hand mirror...

**ANAHITA (voice of PERENNIAL)**

Perennial, I still have to introduce your bit -

**PERENNIAL (voice of ANAHITA)**

Well I wanna introduce myself to *your* bit!

**ANAHITA (voice of PERENNIAL)**

Eschner Asesses.

**PERENNIAL (voice of ANAHITA)**

This week I'm reviewing the consistent tropical scent of my own hair - Anahita is this coconut? What do you do to it?

**ANAHITA (voice of PERENNIAL)**

Oh, well, it's shea. As a matter of fact, my dear friend, acupuncturist, and adopted abuela concocted that serum using the various pods, beans, and other flora of her recluse island. She brines the ingredients in a stone mortar and hand crushes it with a pestle imbued with the spirit of the volcano. She then blesses the resulting grease under a waning moon and ships it to me through FedEx.

**PERENNIAL (voice of ANAHITA)**

Mmmm! Pina Colada! Yum!

**ANAHITA (voice of PERENNIAL)**

Join us every morning Monday through Thursday for all the news you never knew you needed and all the news you needed to know.

**PERENNIAL (voice of ANAHITA)**

From KLMNOP Thank you for listening to the Fake News Update, and until next time...

**ANAHITA/PERENNIAL**

We'll be FNU./ Island time!
