**PERENNIAL (voice of ANAHITA)**

The Fake News Update is brought to you in part by glass ceilings! Heck, these things are hard to break through. At least three times today I have been feline called. Been rushed at the supermall with various perfume samples I don't want any part of. Shoot, down to this brassiere - it's just too darn tight! And the tampons! How many is too few?! And let's not even get started on this, uh, 76 cents business - cuz I'm not finding anything that costs that little! Glass ceiling! You never see it comin! Cuz it's made of glass. Which is clear.

**ANAHITA (voice of PERENNIAL)**

Male privilege: A girl could get used to this! With all the news you never knew you needed and all the news you needed to know, I'm Anahita Ardashir...

**PERENNIAL (voice of ANAHITA)**

...And I think I'm Perennial Eschner? From the KLMNOP studios in a state of denial: this is F.N.U. The Fake News Update.

**ANAHITA (voice of PERENNIAL)**

And now, today's headlines. Would all wizards, witches, warlocks, and spellweavers please contact the FNU studios, care of KLMNOP. I miss my feminine touch.

**PERENNIAL (voice of ANAHITA)**

And I miss Hungry Man dinners! I can't eat a dinner for a hungry man in this feminine frame! And don't get me started on masculine pens!

**ANAHITA (voice of PERENNIAL)**

Please hurry. The daily permissions granted me at every turn are dulling my excellence.

**PERENNIAL (voice of ANAHITA)**

Speaking of dull! It's time for FN letters!

**ANAHITA (voice of PERENNIAL)**

You know I introduce this segment, let me have some SHRED of normalcy.

It's now time for FN-Letters.

**PERENNIAL (voice of ANAHITA)**

Well it looks like this letter is from - oh boy! - Jamie Lee Curtis!  
She wrote back! Perennial, she wrote back!

**ANAHITA (voice of PERENNIAL)**

I'M Anahita! YOU'RE Perennial!

**PERENNIAL (voice of ANAHITA)**

Well heck. I'm ready for this over!  
Oh and looky here - I'm seeing a few uhhh scribbles at the bottom in  
crayon - that must be Lindsay Lohan! What a treat! Let's read!

"Dear Anahita and Perennial,  
First-time writer, short-time listener. I was made aware of your  
plight via numerous Freaky Friday Fan-boards, which I read between  
bites of Activia yogurts, which, if you haven't had, you really  
should. 87% of Americans are suffering from digestive issues. Daily  
probiotics like those found in Activia yogurts can help relieve said  
stomach problems. I've included in this letter a coupon granting 10  
percent off your next purchase of Activia yogurt 4 packs.  
Hope you enjoy!"

Well. That was no help at all.

**ANAHITA (voice of PERENNIAL)**

Check the scribbles - maybe Lindsay has something to say -

**PERENNIAL (voice of ANAHITA)**

Good idea! Luckily for us, I speak fluent scribble. Oh! Yes! Here  
it is! Lindsay writes:

"Hey bitches. Just find mutual respect and umberstanding" - oh I,  
uh, think she meant understanding - "PS: Meryl says I'm a great  
actress" -

Okay.

Mutual respect and understanding...

**ANAHITA/PERENNIAL**

Oh shit/Oh golly.
