PERENNIAL

The Fake News Update - or should I say the FLAKE News Update - is brought to you in part by Auntie Reebok's Economy Flakes. A new cereal sold in MASSIVE recycled hefty trash bags. By harnessing the power of - get this - THRIFT! Auntie Reebok's has changed an industry dominated by the anti-sex stalwart - and feminist? - William Keith Kellogg - look it up, people! What was I talking about? OH yeah! Auntie Reebok's Economy Flakes! Sold in an alley behind your local Piggly Wiggly! Volatile in milk!

ANAHITA

I'm starting with the man in the mirror. But what are the ramifications for women in *this* economy. Tonight at 11. With all the news you never knew you needed and all the news you needed to know, I'm Anahita Ardashir...

PERENNIAL

...And I'm Perennial Eschner. From the KLMNOP studios in Canada: This is F.N.U. The Fake News Update.

ANAHITA

And now, today's headlines. Confusion at Coachella as concert-goers, expecting to see the Caribbean rap artist Shaggy, discovered instead the bumbling teen detective of the same name. When pressed for comment, the mop topped oregano-smelling dog father replied: "Like, Zoinks, It wasn't me."

PERENNIAL

Ruh Roh indeed! Scooby Doo found Scooby DEAD! The cause: all that dang people food! Also, Great Danes don't usually live that long to begin with... only about 7 years. He had a great run for a Great Dane. Look it up!

ANAHITA

Shock in entertainment news as Velma comes out as: Straight.

PERENNIAL

She was so smart though! And the glasses!

ANAHITA

And the bob.

PERENNIAL

Surprising. Speaking of Bob - let's take a look at... whatever's going on over here today!

ANAHITA

And now, our chance to hear from you, our listeners. This is: FN Letters.

PERENNIAL

Now today's letter comes from - oh! Well, it looks like a cease and desist letter from Hannah Barbara -

ANAHITA

Barbara? Or Barberra?

PERENNIAL

Yeah! Hannah Barbarella writes:

To whom it may concern,

On behalf of the estates of William Hannah and Joseph Barberra, it has been determined that you are currently using Scooby Doo without our authorization which is copyrighted work in accordance of Title XVII of the US code... uh... defamation of animated character...um... tasteless references to cartoon sexuality?? Uh... Cease and desist immediately.

Sincerely,

Hannah Barballerina

Ruh Roh, Anahita!

ANAHITA

Join us every morning Monday through Thursday for all the news you never knew you needed and all the news you needed to know.

PERENNIAL

From KLMNOP Thank you for listening to the Fake News Update, and until next time...

ANAHITA/PERENNIAL

We'll be FNU./ I need a barberella, my hair's a mess!

PERENNIAL

Well kids, it looks like the FNU gang's got themselves into a real pickle! So while we call our lawyer, John Lawyer, why don't you call your friends and family and tell them that the Fake News Update is brought to you by marijuana use in the canine community, Scooby's doobies if you're a CRIMINAL, and Spoke Media. If you want to help us achieve that fleeting, Scooby-snack-like satisfaction - you know, the one where those animated wisps of smell grab you by your nose hairs and cause you to float above ground in a state of pure euphoria- subscribe to FNU on Apple Podcasts, Spotify, Castbox, or whenever you get those casts we call pod. Rate us five stars to help us pay for these lawyer's fees, and go rip that ghoul mask off of your elderly janitor or local lunch lady. Thank you for listening!

ANAHITA

This... is F.N.U.
