The Fake News Update - or should I say the SNAKE News Update - is brought to you in part by good ole American Snakes. Snakes: Noodles imbued with life - potentially from a dark source - uh, perhaps a wizard or even a lich! Which is spelled kind of like "lichen" - is there anything there? Ah, well. Snakes though. Worms but bigger - and MEANER!

**ANAHTA**

Beef surplus in American slaughterhouses. Industry desperately seeking Hamburger Helpers. With all the news you never knew you needed and all the news you needed to know, I'm Anahita Ardashir...

Speaking of hot savory breadsticks, let's take a look at the oven cam.

Pipin' hot outta the oven: An old favorite that we've only done once before: it's Anahita's Hot Takes!

**PERENNIAL**

Sorry - I'll put away my espadrilles.

**ANAHITA**

Bangles! Bangles hold a place near and dear to my wrists. I recall wandering through the streets of Bangladesh - which I now lovingly refer to as BANGLE-desh - I saw a woman. Or perhaps a very beautiful man. Selling these wrist decorations.

**PERENNIAL**

Anahita, would you mind not gesturing so vividly?

**ANAHITA**

Me?

Gesture?

Perennial, I'm sure I don't know what you're talking about.

**PERENNIAL**

Alright Anahita. Good Hot Takes.

**ANAHITA**

Thank you.
