PERENNIAL

The Fake News Update is brought to you in part by Timothee Chalamet's Organic Coffee Substitute. Now you all know how I feel about the cinematic masterpiece, Call Me By Your Name. It seamlessly interwove my two favorite interests: the cusp of adulthood and peaches. Now when Timothee left that feature, he embarked on a new cusp - or should I say CUP - of organic, non-coffee beverages. And that's what this is. To put it succinctly, Timothee goes out into the wild and forages for different earthy, evocative, and downright FUNKY herbs, berries, fungi, and STONES. Then he sort of whips them around in a bucket until gritty and tops them off with a shooter of Monster Energy Drink. This organic, NON-COFFEE beverage will have you calling ME by MY name and SCREAMING WITH ENERGY! Timothee Chalamet's Organic Coffee Substitute: Eat Fresh!

PERENNIAL

I'd rather DON'T! I wanna talk about this now, Anahita! I'm imagining all the different flavors of stickers I could put up there! Clifford the Big Red Clifford! Mickey's Mouse! Uh, Bob the Rabbit!

PERENNIAL

This week I'm reviewing REVERSE sexism!

ANAHITA

Oh my god.

PERENNIAL

I don't want to have to give you a man's explanation right now but why do ladies always get to have cool blue liquid in their underthings! My underthings only come in three shades of beige, and you got the whole dang rainbow down there! Ladies get all the good accessories. I've only got a underwear front window that I don't know what to do with! Am I gonna wave at someone out of that?? Pish posh! You WOMEN get to purchase fine goods and services with some sort of applicator - what are you applying? And what am I IMPLYING? REVERSE SEXISM! In business and in my lady business! 3 stars! That started out cerulean liquid and then - through the power of secret products - became an entrapped jelly! I assume!

These female chimes clang of sexism - and Poetry! Because it's now time for Ana-reada's poetry nook. Anahita?
