ANAHITA

Let's try it.

PERENNIAL

Okay... The Fake News Update is brought to you in part by Margarine!
How am I doing?

ANAHITA

You're doing great, P Dog.

PERENNIAL

No, this isn't an Elizabethan woman's name, this stuff is a soft plastic masquerading as BUTTER! But boy does it spread! Just like me!

ANAHITA

Focus!

PERENNIAL

On my toast. Margarine: even the flies don't eat it!

ANAHITA

You can catch more flies with honey, but how do you catch: a murderer?! Tonight at 11. With all the news you never knew you needed and all the news you needed to know, I'm Anahita Ardashir...

PERENNIAL

...And I'm Perennial Eschner. From the coo coo ca choo studios in the windmills of your mind: this is Fake News Update. The F.N.U... Fake News Update.

ANAHITA

And now, today's headlines. Breakthrough in the competitive frozen food market as newcomer Fleetwood Mac introduces their first product: "...and Cheese".

PERENNIAL

Did someone say smack and cheese! That's my trigger word, Anahita!

ANAHITA

It's okay, P Dog. It's okay. I'm here... In other news, Imagine Dragons -

PERENNIAL

Okay! What color?

ANAHITA

Just read the pages in front of you, Perennial. Just read them! Do the news!

PERENNIAL

I thought we're doing a funky bit! A give and take! A Yes, Anne!

ANAHITA

Did - did you just say, "Yes, Anne?"

PERENNIAL

Yes! Anne!

ANAHITA

Okay. Tough love. Perennial, do a Headline right now. Do a headline.

PERENNIAL

Um... Okay.

Headline: Ed Sheeran - he's been in the news lately - he's got a guitar and some clever licks! What is he, a British?

ANAHITA

Perennial, I believe, and correct me if I'm wrong - which I'm not, so don't correct me. You've lost your news groove!

PERENNIAL

I HAVE! I LOST IT ANAHITA! I couldn't do a headline if it hit me in the bottomline!

ANAHITA

Well the bottomline is, Perennial, we have to get your groove back!

PERENNIAL
