**ANAHITA**

Since we last spoke, I bravely ventured into the wilderness. The wilderness of crime, of suspects...of murderers. I tracked down the elusive Tony -

**PERENNIAL**

My boyfriend! -Nevermind! Too soon! We're not into labels yet!

**ANAHITA**

He was hopping a greyhound, obviously trying to get out of town -

**PERENNIAL**

He had a work trip! I told you that!

**ANAHITA**

I pulled him aside and doused my waterskin upon him. "Why do you wet me?" He asked, his accent thick and vague.

He was... utterly charming. Delighted to look upon my face, he alit. Perennial had told him of our friendship. Of my inspiration to his life. He treated me to a croissant at a nearby Au Bo Pan and we chatted into the night.

P-Dawg. You have outdone yourself. I'm so *happy* for you.

**PERENNIAL**

He gives me tickles in between me down there!

**ANAHITA**

And between me UP HERE! In my mind! He is positively stimulating! You didn't me of his seawork with the Hymalian snow shark -

**PERENNIAL**

I don't like to brag! I'm not a braggart!

**ANAHITA**

Well I am and I WILL.

Audience. This man. Is a god amongst us. He reminded me so of a young Tilda Swintz. With the clarity of an older Tilda Swintz. Perennial when I tell you that if I do not officiate this wedding, I will not murder someone, then I am as big a liar as whoever murdered Kelly IS a murderer.

**PERENNIAL**

Thank you?

**ANAHITA**

You. Are. WELCOME.

**PERENNIAL**

What do we usually do on Wednesdays? Maybe a nook -

**ANAHITA**

The MURDER!

**PERENNIAL**

And she's back.

**ANAHITA**

That's right! The murder of Kelly The Intern!

A breakthrough in the FN Myseter: Who Killed Kelly: An FN Mystery. Reports have surfaced that Kelly's murderer has been using Kelly's

faced book - or should I say de-faced book - to post as if this *murderer* were IN FACT Kelly! This sick bastard son of a bitch is inviting HER FRIENDS to a BIRTHDAY PARTY! No doubt to put the body on display in a sick perverted ritual! Every serial killer has a signature and this signature is that.

**PERENNIAL**

I didn't get an invite...

**ANAHITA**

Neither. Did. I.

It's obvious the murderer is a long-time listener of the program and knows I'm on his or her or their murderous tail!

Hey Murderer.

I'm watching.

I'm listening.

I'm dream boarding.

**PERENNIAL**

And water boarding! She's a war criminal!

**ANAHITA**

Murderer, I will hunt you down and string your beans. This murder will be your last murder. And Kelly's skeleton -

**PERENNIAL**

Kelly's Skelly!

**ANAHITA**

Will no longer be your twisted plaything.

This: is FNU.

**PERENNIAL**

I had headlines to read...

**ANAHITA**

Very well, you blushing love bird. Lay it on the listeners...including that *murderer*.

**PERENNIAL**

O-KAY!

HEADLINE:

Grain farmers in Iowa are protesting new legislation requiring regular socialization amongst one another. This new initiative, dubbed the "Wheat and Greet Initiative" is proving upsetting for the more isolated and socially anxious but the federal government is assuring the public that this measure is to promote a healthy, fun-filled agriCULTURE.

How was that?

**ANAHITA**

That sick fuck is playing with Kelly's corpse right now -

**PERENNIAL**

Oh, I don't think you can say that on the radio Anahita - ya know, "corpse".

**ANAHITA**

This: is FNU.

**PERENNIAL**

Ok - Anahita, we still have to do the sign-off. FNU is brought to you by vigilante radio detectives and Spoke Media. If you wanna stay up in the loop with all these thinly-threaded shenanigans - follow us on Spotify, Apple Podcast, Castbox, or wherever you get your podcasts - we've also got twitter pages that Kelly set up - RIP - @I\_Perrenial and @AnahitaArdashir. And listen, murderer, if you're listening, make this stop - I wanna review Cool Runnings again! You know, *normal* FNU features! Give us 5 stars if you're nasty and STOP MURDERING PEOPLE! Thank you for listening!  
Anahita, have you watched Cool Runnings recently? It's really held up.
