**KELLY**

*[Humming. Exits.]*

**ANAHITA**

God as my witness I will get to the bottom of this murder!

**PERENNIAL**

Heets, I gotta level with ya...Im just - oh! Hot coffee! And honeybuns?! Thanks John!

**JOHN IN THE BOOTH**

Uh, Kelly did it.

**ANAHITA**

Thanks for trying to cheer us up, John, but it won't work. That poor girl was MURDERED.

**PERENNIAL**

You keep saying that, Heeta, but where's the evidence? The blood?! As they say in latin: HeyBoy It's Corpses! SHOW ME THE BODY!

**ANAHITA**

Perennial, would you just trust me on this! I am a journalist. And the thing that I know is this gut. THIS ONE! RIGHT HERE!

**PERENNIAL**

Anahita, put your shirt down - I want to appreciate its floral print! Can we just start the show?!

**ANAHITA**

Fine.

**PERENNIAL**

Light 'em up, John!

**ANAHITA**

What the hell is that?! The REAL music, John!

**PERENNIAL**

I just wanna do our show, Anahita! The people need news! Without us the listening public won't know what's who and how's huh?!

**ANAHITA**

Maybe the mayor was the murderer...

**PERENNIAL**

Our Mayor is a dog!  
Now! From the KLMNOP studios in WoofBark, Washington - this is FNU,  
the Fake News Update -

**ANAHITA**

FN Mystery!

**PERENNIAL**

No it is not, Anahita!! It's time to move on! Kelly's gone! We don't know where she is but we know she's not IS! But this show IS IS! We IS! And we've got to do IS! This is FN Letters.

Ok - it looks like we've got a really big pile - uh, this is usually the intern's job and no one's answered a letter in a while - it looks like this one is from -  
Oh.  
It's from Kelly.

**ANAHITA**

The Murdered Kelly?

**PERENNIAL**

It does have her youthful chicken scratch and her signature signature.

**ANAHITA**

A letter from the beyond. Perhaps this will be a lead to solving the case.

**PERENNIAL**

Well. Kelly writes:

Sup hoes,  
Just a reminder that I gots my lil bro's destination quinceanero next week in Maldova. I'll be OOO! Oh, cause she's a ghost - oh! O.O.O. - OH - out of office... out of office? - until later next Thursday. Squeeze ya later nerdz. TTYL. LYLAS. Byeeeeeeee.

Oh hi, Kelly!

Heeta, look - it's Kelly. She's waving at us in a "hi"-style response.

Say hi, Heeta!

**ANAHITA**

... Hi.

**PERENNIAL**

Hey, Kells-my-bells, can I get a cherry sprite? Uh, Heeta, you want anything?

**ANAHITA**

I want America to wake up. This 96 hour news cycle - nay - news CIRCUS has turned us into what we've feared all along: MURDERERS! We've murdered our decency!  
Our common sense!  
Our one chance to win a Pulitzer!

**PERENNIAL**

Is that what this is about, Heeta?

**ANAHITA**

I did what I came to do! I woke up this nation and I won't apologize for the threats I gave and the crimes I committed in the name of JOURNALISM!

**PERENNIAL**

... Heeta, Kelly's waiting - do you want anything?

**ANAHITA**

My dignity.

**PERENNIAL**

Ok - so just the cherry Sprite, Kelly! Okay, thank you.

**ANAHITA**

P-Dawg I am low.

**PERENNIAL**

Hey. Listen, why don't you come over to my place tonight, huh? Uh, Tony's making a paella. We'd love to have ya. You can bring Ruth Bader!

**ANAHITA**

I'd like that.

**PERENNIAL**

I like you.

**ANAHITA**

Thank you, Perennial. I like you too.

**PERENNIAL**

And I like you too too.

**ANAHITA**
