PERENNIAL

The Fake News Update is brought to you in part by Money?! Now gather 'round the foot of this La-Z-Boy, children, and let old uncle Eschy tell ya all about the birds and the bees and the money! Money is often exchanged for goods and services - or in this case, INVESTED - in future goods and future services. FNUture services if you're nasty! So money in our pocket is really just a metaphor for our government's belief in its own inherent value. Mo' money mo' problems? That's a Biggie...LIE! Money! Thanks for it!

ANAHITA

Skinning a mink a mink a mink
Skinning a mink well DON'T!
Animal rights activists say... we don't love you.
With all the news you never knew you needed and all the news you
needed to know, I'm Anahita Ardashir...

PERENNIAL

And I'm Perennial Eshner, from the KLMNOP studios in kid-friendly
Miami, Florida! This is FNU, the Fake News Update.

ANAHITA

And now, today's headlines. Jell-O buys Nabisco in a monumental food
merger. Their first joint endeavor: Pudding on the Ritz.

PERENNIAL

[longest inhale full of wonder]
It's my fantasy come true!

ANAHITA

Oh, Perennial! Expected launch date isn't 'til 2022!

PERENNIAL

Headline: disappointment in the linear nature of time.

ANAHITA

But now you get to create a new advent calendar!

PERENNIAL

[longest inhale full of wonder]
I'll get my stickers!

ANAHITA

Perennial, they're in your desk!

PERENNIAL

Convenient! Thanks, Past Me!
Maybe I should stick...er 'round a lil longer!

ANAHITA

Jubilance in the televised sphere as CBS introduces a new hit program
targeted at College-age young adults. Everybody Loves Ramen is a win-
win in that it is quick, simple, and cheap to produce.

PERENNIAL

Speaking of cheap! Let's check out the chick cam.

ANAHITA

And now, the glue that binds this humble program.

Eschner Assesses!

PERENNIAL

Yeah!

This week I'm reviewing the long-awaited entry in the Crocodile Dundee series, Crocodile Dundee 4: Crocodile Dundee Done-did the Done-deed Indeed, starring Laura Dern as Chompers the Baby Croc, Bradley Cooper as Lil Samantha, and Paul Hogan as Granddaddy Dundee. Who knew that a superior Alien Croc Race would land on planet Australia?! Laura Dern is IMMACULATE as Chompers the Baby Croc - a super intelligent young crocodame with a vendetta to RESOLVE! I can picture the inevitable merch now! Lil Chompers tees! Lil Chompers tea! Lil Chompers TEETH! I can see aisles of Lil Chompers merch in Walled Greens, Walled Marts, and uhhh...Target. Anahita, we are so fortunate right now, to have RECEIVED an exclusive clip of Crocodile Dundee 4: Crocodile Dundee Done Did the Done-deed Indeed. So now, without further ado, here is the ubiquitous scene featuring former President Barack Obama and Katherine Heigel. John in the Booth, roll that tape!

OBAMA

Uh...these crocodiles...have done did the deed.

KATHERINE

Indeed!

PERENNIAL

Wow. Just give them all the awards - Heets, can we give them our awards?!

ANAHITA

Uh... we don't have any.

PERENNIAL

Other featured guest stars include Alf, The Tupac hologram, Adult Alfalfa, and the Hamburger Helper mitten, now on parole. Mazel, HH.

And finally, the original song, written exclusively for Crocodile Dundee 4: Crocodile Dundee Done Did the Done-deed Indeed by Lin Manuel Miranda, this is: After While Crocodile:

LIN MANUEL MIRANDA

How does croco
Dile
Comin' from the Nile
In a world of denile
Get out for a while?
Turnin' frowns from the smiles
Sayin' that's not a knife

This is a knife
That's my wife!
What?!

PERENNIAL

Wow. Talk about a WIN Manuel Miranda.
