**PERENNIAL**

The Fake News Update is brought to you in part by eternity. As Brother Hank says on his website - which is a REAL WEBSITE, ANAHITA - brotherhanksendtimecircus.angelfire.com, you can unleash the power of Now through the power of Clown! As you can hear, I've bedonned my red nose - and my red robes - which symbolize enlightenment and LAUGHTER! Sort of an unconventional look for a clown - but Brother Hank has a

website - which - AGAIN - is a real website:  
brotherhanksendtimecircus.angelfire.com  
By going to said website and absorbing the knowledge juice - which  
tastes a lot like Hi-C - you too can be a Clown of the End Days.  
brotherhanksendtimecircus.angelfire.com - hop aboard the clown car to  
transcendence and THRIVE!

**ANAHITA**

Something snottin' in the state of Denmark, Scandanavian allergies on  
the rise. With all the news you never knew you needed and all the  
news you needed to know, I'm Anahita Ardashir..

**PERENNIAL**

And I'm Brother Pennies, from the KLMNOP Studios in a state of  
enlightenment - and also the state of Denmark - this is FNU: The Fake  
News Update.

**ANAHITA**

And now, Headlines. Local governments across the globe are taken over  
by insane clown posses. The FBI is dispatching a new team of  
undercover agents, deemed Juggalo 7.

**PERENNIAL**

Juggle NO! Heaven! Which is where I'm shooting for! Using my  
meditative juggling balls which only cost infinite payments of \$59.99,  
I've reached a new realm of COMEDY! Also I now see the facade of this  
earthly existence! Check out these juggs!

**ANAHITA**

I'm sorry - I - uh -  
I overlooked the nose. I thought: Wow, another one of Perennial's  
fabulous hobbies. Neat. The red robe seemed much but I do know your  
love of flair. But P-Dawg -

**PERENNIAL**

Brother Pennies now!

**ANAHITA**

I will not.  
You've changed. I've noticed it. Annual tells me you've cut him out  
of your life -

**PERENNIAL**

He's a suppository! He's getting in the way of my growth!

**ANAHITA**

Perennial, I've written something I'd like to read to you -

**PERENNIAL**

No can do ma'am cuz it's now time for Brother Pennies Assesses!

This week I'm reviewing Brother Hank's Endtime Circus. Brothers and female Brothers, boy do I have some news for you. We're all going to die. And you can face this with fear and a grimace, or with laughter and a Ronald. By following the 17 step plan that was illuminated to Brother Hank on the valley top, I have been so lucky to glimpse the red-and-white striped veil and peer into the yellow eyes of the clown god Moroth, who watches over us - and punishes us - while we sleep and wake. If what I'm saying, dear listeners, is resonating with you - or maybe isn't resonating - which could be symptomatic of the hold taken upon you by the evil Mime God, Huhhh, then please, for the love of Moroth, call our toll free number at brotherhanksendtimecircus.angelfire.com . Brother Hank will generously receive your infinite payments of \$19.95 and in return you will receive a pamphlet and a betamax copy of Patron Saint Red Skelton's rarely-seen: Red Skelton Christmas, in Living Color. I give Brother Hank's End Time Circus...my eternal soul.

**ANAHITA**

I'm going to read this now, Perennial -

**PERENNIAL**

Perennial has been vaporized. Only Brother Pennies remains.

**ANAHITA**

"Perennial, my friend. I remember our first encounter. The season was spring and the time was youth. We were two lil rugrats then scampering to and fro - hither AND yon - it was then that we went to the ole junked yard and gathered sheets of tin and boarded card. We fashioned an ole time radio from which we would deliver headlines for scads of hours. We developed our craft then - and we developed...our friendship. What haven't we been through? Lovers, economic crises, multiple Aunt Vivians, and the creation and destruction of the Marvel Cinematic Universe. Don't leave me, friend. This clowning has taken away my Perennial -

**PERENNIAL**

Vaporized him!

**ANAHITA**

Come home, you golden boy."

**PERENNIAL**

I am home, Anahita. I am home in the vengeful grasp of Moroth. The clown god, destroyer of worlds and inventor of the internet. Bringer of joy and light refreshments. He watches over us with his watchful gaze - who is me - I am his watchful Gayze! We are ALL his watchful gays!

**ANAHITA**

My god, he's gone.

**PERENNIAL**

All hail, Moroth! God of laughter and grease paint!

**ANAHITA**

Goodbye, Perennial.

**PERENNIAL**

I chant in his honor!  
Hhhochlechadichamechileheyyyamoroththeclownohai!
