**PERENNIAL**

Hey there, newsies! Open the gate and seize the day, because we've got another extra special Ra-Re-Run, a radio re-run! Anahita and I hate this but we're still on hiatus, on a forced saBATHical. Even though I'm a shower guy! Does that read? Oh well. Uh, today's extra special ray-ra-re-run is brought to you in part by TOILETS! Boy, these guys

have a hard knock life. These poor-celain beauties are FORCED to receive our daily detritus like it was their job! And for those of you at home, who like me, personify all of your inanimate objects with googley eyes and a simple smile! How do you constitute your morning constitution?! Just close your eyes and grab onto the slippery white belly of your inanimate friend, and LET. HER. RIP. Toilets! Give a crap!

**PRODUCER**

Please enjoy this rebroadcast of KLMNOP favorite, Automobile Confessions.

**CHUGG**

Automobile Confessions is brought to you in part by Sprite. Now you know Lugg and I work up quite a thirst bangin' on them there vehicles, ain't that right Lugg?

**LUGG**

*[deep southern mumbling]*

**CHUGG**

But ever since we was just two little corn pones fiddlin away at our tike-cycles, we been slammin back that good stuff. And by that I mean Sprite. So get yourself down to the nearest Conoco and purchase yourself a twelve pack of that clear, fizzy dream juice.

**CHUGG**

Well, hey there, everybody welcome to Automobile Confessions with Chugg and Lugg the Dipstick brothers. I'm Chugg -

**LUGG**

*[Mumbling]*

**CHUGG**

First of all, I wanna say a veeeeery happy New Year to all y'all out in Dipstick land. An' I cannot wait to see the 1987 models, shapes, sizes, et cetera. And I wanna send a big congratulations to Miss Arethra Franklin for her abduction into the Rock N Roll Hall of Fame. Now, ain't that somethin' Lug? Mm-Hmm. Also lookin' forward to this upcomin' season of Alf. And I think I speak for eeverybody out there in radio land when I say I am lookin' forward to seein' what comes of that Ber-lin Wall. Whatcha think about that, Lugg?

**LUGG**

*[Political mumbling.]*

**CHUGG**

Couldn't've said it better myself if I had said it myself. Well, alrighty folks, today is what we in the bidness call a VSE, of course that stands for V - Very, S - Special, E - EpisodeofChuggNLugg. Now,

today I got my brother Lugg behind a big bright red curtain here, and we're gonna play a little game I like to call: What's Your Model?

**LUGG**

*[Excited mumbling.]*

**CHUGG**

Now, you keep that kinda language in the garage, alright now? Alright folks listenin' at home, in your automobiles, in the Dairy Queen, we're gonna get this game a-started. Over here to my right we have two beautiful dames and one charmin' old man. Now these vehicles are comin' straight off the assembly line and they are ready for a little bit of action.

**LUGG**

*[Suggestive mumbling.]*

**CHUGG**

Look, I swear to shit, if you don't cut it out right now I'm gonna whoop your ass. You understand me?

**LUGG**

*[Apologetic mumbling.]*

**CHUGG**

That's what I thought.  
Alright, contestant #1.

Contestant #2

And let's hear from contestant #3

Now y'all look like y'all givin' Chugg a Chubb over here! Huhuhu!

**LUGG**

*[Horny mumbling.]*

**CHUGG**

Alright now, here's a first question for the models. You are Lugg -

**LUGG**

*[Mumbling.]*

**CHUGG**

- are driving around with your tops down. Uh, what song y'all got playin' on the radio?  
Car #1?

Alright, now that sounds like Whitney Houston's "I Wanna Dance With Somebody." That's a very popular song, that's a very main-STREAM song.

Alright, Car #2.

If I ain't' miss-taken, that sounds like the sounds of Bonified Jon Bon Jovi's "You Give Loves A Bad Name".

**LUGG**

[*Aroused mumbling.*]

**CHUGG**

I couldn't agree more, Lug. That sounds like we might be gettin' some conflicting turn signals here.

Alright, Car #3, it's time for you to shoot yer shot.

Now, I will bet my Christianity that that is George Michelle's "I Want Your Sex" Oh - Oh! And it looks like Lugg has made his decision, he is racing over to the vehicle. Oh my, he is poppin the hood, he's leaning in, and -

OH MY - OH MY GOD!

MY BROTHER! MY LOVER! CUT THE TAPE! CUT TO COMMERCIAL
