PERENNIAL

Whelp, that's another baxachach... a boxachoch... a hothibatchi... a cardboard cube of knick-knacks down.

ANAHITA

How many are left?

PERENNIAL

Several. I'd say at least uhhh... four days worth.

ANAHITA

Well, that's perfect. We need to be out of here by Thursday anyway.

PERENNIAL

You know, I never thought being a hero would mean we had to move to a safer location... I thought we WERE the safer location!

ANAHITA

One of the many sacrifices we make for heroinism.

PERENNIAL

I had a cousin who had heroinism... It was sad.

ANAHITA

This is sad! Look at this stuff.

PERENNIAL

Isn't it neat?

ANAHITA

All these momentous mementos from our various victories, accomplishments, and achievements.

PERENNIAL

Oh, take a look at this, Anahita.

ANAHITA

Why, it's a box of gifted products from our many grand sponsors.

PERENNIAL

Ya know, we couldn't have done the show without 'em! We was brought to us in part by thems!

ANAHITA

I must say, Perennial. You read ad copy like a Tarot-ist reads tarot.

PERENNIAL

What can I say? I'm a ad-man I am, I am!

ANAHITA

Why... I remember those ads like it was the 96 days ago...

[FLASHBACK]

PERENNIAL

The Fake News Update is brought to you in part by Napster Mattresses. You know, just yesterday I was wishing my dream cushion could download and upload pirated bits of musical delights, and that's where Napster Mattresses comes in. Using the power of wires, chips, and a devil-may-care attitude indicative of the early otts, Napster Mattresses has created a one-of-a-kind mattress that you absolutely cannot get wet. Napster Mattresses: the logo is a kitty wearing headphones taking a nap-nap.

PERENNIAL

So if you're feeling a tiddly bit nippily in the shirt area, put on a vest today. Don't frest. Put on a vest.

PERENNIAL

The Fake News Update is brought to you in part by Uncle Buck's Nipple Pads. Now if you're like me, you know how embarrassing it can be to have fat, puffy nipples... Who wrote this copy? Well I thought I was just doomed to walk through life with my fat, puffy nipple outlines showing through on all my sweaters, cardigans, and long shawls.

(PERENNIAL: Annual did you write this?)

(ANNUAL: I did not.)

(PERENNIAL: Oh fine, I'll keep going.)

Then my dear friend introduced me to Uncle Buck's Nipple Pads. Now these pads are made with, and pardon the pun, *fabrics* that are sticky yet sensitive enough for my delicate nips. I slap these puppies on my little puppies every morning, and now my nipples are my secret and mine alone. Uncle Buck's Nipple Pads! Be embarrassed about your nipples and cover them right up!
